THE RESIDENTS  
OF THE  
23RD DISTRICT**

**EXPERIENCE COUNTS** 4 years serving as a Village Trustee for the Village of Paddock Lake has given me the proper prerequisites, confidence and contacts to properly represent my constituents.

**DEDICATED** by being readily accessible to my constituents. Proposing a "County Report" at both Town of Salem and Village of Paddock Lake monthly meetings to keep residents abreast of current county issues.

**NO AGENDA'S** My main concern is to properly represent my constituents using a common sense approach to resolving issues. I am not running for office to represent any special interests, only the well being of the residents of the 23rd District.

**FACTS/BELIEFS** Kenosha County Operations represent a 200 million dollar budget of which 2/3rds come from State and Federal Monies. Roughly 20% of your tax dollar support county operations. They currently employ 1100 individuals. County Operations is essentially a large business, however in most cases it is not run as a large business. Only lately has this notion emerged as public monies have become more stringent. It is my stance that we need to run County Operations in the same manner as a large business employing best business practices to make operations and expenditures as cost effective as possible.

**GOALS** Ensure Proper Economic Growth; Control County Expenditures; Actively pursue a permanent Dog Park at Old Settler Park; Oppose the proposal of a Kenosha/Racine Regional Transit Authority.
